

SCHOOL DAY

School Union 69 schools exist to provide education to the children and young people who reside within the unit. The essence of this education is primarily attained through the direct contact of teachers with students in the teaching-learning setting.

The number of school days shall meet or exceed the state requirement and be set annually by each School Committee within the Union and be included in the school calendar. Abbreviated days to be included for in-service, conferences, etc., shall be kept to a minimum.

It is also the intent of the School Union that all State requirements for length of the school day and instructional time per student be met.

The “instructional day” is not considered to include homeroom periods, opening exercises, recess, lunch, passing times, activity periods, additional band practice, intramurals, other extracurricular activities etc. Exceptions shall only be made with the approval of the Superintendent.
